# 2021 ANNUAL REPORT

## 2021 - THE FIRST GRANT CYCLE

Established as a private foundation in 2020, the Judith Ann Mogan Foundation (JAMF) began funding community projects in 2021.

Initially, exploratory meetings were held with local organizations to determine specific needs in the community. It has been a rewarding experience for us to know more about the great organizations in our community. We thank all the local organizations that have welcomed our inquiries and shared their stories with us. Organizations with projects that supported JAMF's priority areas were invited to submit an application.

2021 Grant Cycle priority areas were:

- *Business and Economic Development*
- *Children & Youth Development*
- *Convening & Gathering Places*
- *Enhancing Community Health Services*
- *Forestry & Wood Products Support & Research*
- *Poverty Alleviation*

## Our Mission:
*Develop successful citizens and vital communities.*

## Our Service Areas:

*Coastal Douglas County
Coos County
Curry County*

### 2021 Grantee Spotlight
**CASA of Coos & Curry Counties**
Words of Support:

*"The participation of a CASA is invaluable to the court, as they function as the eyes and ears of the children who are in such a vulnerable position.... CASAs are volunteers who give up a large amount of time to represent children.... "*
*- Cynthia L. Beaman, Circuit Court Judge*

### Little Theatre on the Bay (LTOB) Hearing Loop System

*"(The system) is such an incredible gift to our entire community! ...LTOB is committed to providing accessibility... this project was designed (for) patrons who have a hearing aid, and yet still have trouble understanding voices in a venue. ...More than one-third of the theatre's patrons generally qualify as seniors. "*
*- Jeanne Woods, LTOB Vice Pres.*
